

Annual Report

2023

EXECUTIVE SUMMARY

After twelve years of contributing her time and financial support to this effort, our founder, Heather McCutcheon, recruited a fantastic board of directors and incorporated in March of 2023. The Reiki Brigade is now a 501(c)(3) not-for-profit, and financial sustainability efforts have begun in earnest. Momentum is building, awareness is growing, and we look forward to expanding our impact.

MISSION

To promote peace within individuals, communities, and society as a whole via Reiki energy healing. We support non-violence efforts by collaborating with other service organizations, and serving groups of individuals who experience high levels of stress.
